THEATRE BOOKINGS

Theatre bookings are arranged on a first-come, first-served basis. Tentative or informational bookings may be taken but are not to be considered official bookings. To ensure optimal planning, venue rental requests are limited to a maximum of two years in advance. Bookings will open January 2nd for the calendar year two years in the future. For example, bookings for the 2028 calendar year will open January 2, 2026. Priority will be given to local recurring rentals.

Booking dates will be secured with the payment of a non-refundable booking deposit (which is applied to the rent) and a signed rental contract. The booking deposit is \$300 per performance (\$100 per performance for local non-profit producers/presenters), and \$50 per rehearsal. For rentals \$200 and under, full payment is required as the deposit.

Requests for extra time, equipment and/or personnel may be arranged after the contract has been signed. These requests will be recorded in writing and this ancillary agreement will be attached to the contract. If the theatre is handling ticket sales, these added expenses are usually handled as chargebacks against ticket sales.

Unused time will not be refunded.

DAMAGE DEPOSIT

A refundable damage deposit of \$300 per performance (\$150 per performance for local for-profit producers/presenters, and \$100 for not-for-profit presenters), and \$150 per rehearsal (\$75 per performance for local for-profit producers/presenters, and \$50 for not-for-profit presenters). is required with all theatre rentals. Upon the completion of your event and a successful inspection of the facilities, the damage deposit will be returned.

If the Tidemark Theatre Box Office is handling the ticket sales, the damage deposit will be handled as a charge-back on ticket sales and will not have to be paid up front. However, if ticket sales are not involved, the refundable damage deposit must be made at the same time as the rental deposit.

CANCELLATION

Full payment of the rental is due as per the contract.

A cancellation must be submitted in writing. The following cancellation fees apply:

Up to 30 days prior to the first rental date	= Booking Deposit.
29 to 15 days prior to the first rental date	= 50% of Total Rent.
14 days or less prior to the first rental date	= 100% of Total Rent.

If a booking date needs to be rescheduled, the booking deposit applies to the new date.

INSURANCE

Renters are to provide a certificate of insurance showing comprehensive general liability of at least \$3,000,000.00 naming both the City of Campbell River and the Tidemark Theatre Society as additional insured parties during the rental period.
